I agree to follow board duties:	I Agree to: Duty of Care, Duty of Loyalty, and Duty of Obedience.

<p>> duty of care: This means that a board member owes the duty to exercise reasonable care when he or she makes a decision as a steward of the organization.</p> <p>> duty of loyalty: is a standard of faithfulness; a board member must give undivided allegiance when making decisions affecting the organization. This also means that a board member cannot use information obtained as a member for personal gain, and must act in the best interests of the organization.</p> <p>> duty of obedience: requires board members to be faithful to the organization's mission. Board members cannot act in a way that is inconsistent with the central goals of the organization. A basis for this rule lies in the public's trust that the organization will manage donated funds to fulfill the organization's mission.</p>
